

Week0, due Wednesday, 27 September, 8am

This homework should be email as a **pdf** to: **gherczeg1@gmail.com** by Friday, 27 September, 8am. Late homework will not be accepted.

- 1 What is your name, in Chinese and in pinyin (with tones)?
- 2 What was your undergraduate major? Was Friday's lecture material review of material that you already learned as an undergraduate? What percentage was new material for you?
- 3 Why did you decide to get your PhD in astrophysics?
- 4 Do you know what topic you are interested in?
- 5 How proficient are you at programming? What programming language(s) do you know?
- 6 How proficient are you at English? Can you understand me in the first lecture?
- 7 Tell me something about yourself. Is there anything that you would like me to know?
